Birth: Jul. 25, 1972 Lewistown, Mifflin County Pennsylvania, USA Death: May 10, 2000 Mifflin County Pennsylvania, USA

BURIAL - Sherry M. Moser, 27, of Fourth Ave., Berks, died Wednesday, May 10, 2000, following an accident at her place of employment.

Born July 25, 1972, in Lewistown, she was the daughter of Jesse W. Moser of Reading and Melvin P. and Mary Jane (Winters) Foltz of Middle Road, Lewistown. She is survived by a companion, James M. Steiner, Berks. Also surviving are a sister, Tammy L. Keebally, Lewistown; half-brother, Jesse W. Moser, Jr., Reading; maternal grandfather, Kenneth D. Winer, Lockport; maternal great-grandmother, Florence L. Casner, Lewistown; paternal grandparents, M. Charles (Helen) Grassmyer, Lockport and Charles and Ray Moser, Lewistown; one nephew and two nieces; neighbor and caregiver, Brian K. Faltz and Susan M. Goss, both of Kearsville.

She was a U.S. Army veteran, having served as a paratrooper with the 507th Airborne Division and as a telecommunications center operator.

She was much loved and operated for Buckle Plastics, Lewistown and she was also a former employee of The Sentinel, Lewistown.

She attended the Salvation Army Church, Lewistown. She loved animals and enjoyed writing poetry. Services will be held at 11 a.m. Saturday at the Hahnburger Funeral Home, 35 Market St., McVeytown, with Captain and Mrs. Eddie Rouse and James Baker officiating. Interment will be in Juvata Memorial Park, where full military honors will be conducted by VFW Post 7051, Lewistown.

Friends may call from 7-9 p.m. today at the funeral home. Memorial contributions may be made to the SPCA, RR1, Centre Hall, PA 16828.

“This is the whole reason every associate here goes home at the end of the day in the same health they arrived in!”

“This has always been my inspiration so that nobody ever has to go through that again!”

"I've worked for other companies where a safety program was in place, but not taken as seriously as it is here at Rohrer Lewistown. Management and the employees are committed to working safely so that we can leave in the same shape as we came in."

"When I started here almost 25 years ago we had no safety program established. Over the years we have grown and have continuously improved our safety program. We have employees that want to be involved and continue their training. Management does and has always shown commitment to our safety program."

~ Kevin D. Fultz
Project Manager

"I have worked here for 8 years and I have not once felt uneasy regarding my safety. I knew on my very first day, that safety has always been a major concern for all employees."

"In my position here at Rohrer, as I meet with our new hires I take pride in talking with them about our safety record. I make sure they are aware that safety is very important to us here at Rohrer Lewistown and that their safety comes first, above everything else. I encourage them to speak up if they see any employee doing anything that could hurt them or another employee. We want everyone to leave this building in the same condition as when they entered."
