14. Concrete & Mason Safety
15. Confined Space Safety
16. Dealing with the Angry People
17. Defensive Driving (4 Hour National Safety Council Course)
18. Distracted Driving
19. Drug & Alcohol Awareness-Employee
20. Drug & Alcohol Awareness-Supervisor
21. Egress & Fire Protection
22. Electrical Extension Cord Safety
23. Electrical Safety
24. Electrocutation Safety
25. Emergency Action Plans
26. Ergonomics
27. Ethylene Oxide
28. Excavation & Trenching
29. Eye Protection
30. Fall Protection
31. Fire Extinguisher Use
32. Fire Protection & Prevention
33. Flammable/Combustible Liquids
34. Formaldehyde Safety
35. Golf & Utility Cart Safety
36. Groundskeeping Safety
37. Hazard Communication (including GHS)
38. Hazard Identification
39. Hazardous Materials Awareness
40. Hazardous Waste Management
41. HAZWOPER: Hazardous Waste Operations
42. Head Protection (Hard Hats)
43. Health Hazards in Construction
44. Hearing Conservation & Noise Control
45. Heat Related Injuries/Illnesses
46. Hot Work - Welding, Brazing, Grinding
47. Housekeeping Safety
48. Infectious Disease
49. Job Safety/Hazard Analysis
50. Kitchen Safety – Burn & Fire Prevention
51. Kitchen Safety - Working Safely with Chemicals
52. Kitchen Safety - Working Safely with Sharps
53. Laboratory Safety Standard
54. Ladders-Scaffolds
55. Lead Awareness & Safety
56. Lock-out/Tag-out
57. Machine Guarding
58. Managing Emergencies
59. Managing Safety & Health
60. Mercury Awareness
61. Motor Vehicle Roll Over Protection
62. Nail Gun Safety
63. Near Miss
64. Office Safety
65. OSHA 510 (Construction Safety) 10/30 Hour*
66. OSHA 511 (General Industry Safety) 10/30 Hour*
67. OSHA Injury & Illness Recordkeeping
68. Overhead Crane Safety
69. Personal Protective Equipment (PPE)
70. Personal Protective Equipment & Lifesaving Equipment
71. Poison Ivy
72. Powered Industrial Trucks (PIT)
73. Pre-Operational Process Review
74. Preventing Back Injuries
75. Preventing Cuts, Scrapes & Punctures
76. Preventing Harassment in the Workplace
77. Preventing Slips, Trips & Falls
78. Process Safety Management (PSM)
79. Rabies
80. Respiratory Protection
81. Restaurant Safety
82. Return to Work
83. Right To Know
84. Right To Know Inspections
85. Safety Culture (Part 1)
86. Safety Culture (Part 2 - 4 Hour Workshop)
87. Safety For Supervisors
88. Safe Driving in Inclement Weather
89. Safe Patient Lifting
90. Safe Lifting & Material Handling
91. Safe Vehicle Operation
92. Safety & Health Programs
93. Scabies, Bed Bugs, MRSA
94. School Safety
95. School Laboratory Safety
96. Spill Control & Containment
97. Sprains & Strains
98. Stairways & Ladders
99. Struck-By
100. Theatre Safety
101. Ticks & Lyme Disease
102. Tools – Hand & Power
103. Ventilation-Basic

104. Welding Safety
105. Walking & Working Surfaces
106. Walkthrough Surveys
107. Wellness Programs
108. West Nile Virus Awareness
109. Work Zone Safety
110. Working Alone
111. Workplace Violence
112. Workplace Violence in Healthcare Facilities

12. Safety For Supervisors
13. Sprains & Strains
14. Ticks & Lyme Disease
15. Workplace Violence (Coming Soon)

ADDITIONAL SAFETY TOPICS AVAILABLE:
