

AUTHORIZATION STATEMENTS

I authorize the State Workers' Insurance Fund (SWIF), through the PA State Treasury Department (Treasury), to directly deposit my SWIF benefits to a separate or joint banking account listed in my name.

The instructions on this Form SWIF-180 to start, stop or change direct deposit of my benefits shall remain in effect for the remainder of this SWIF claim. I understand that the only way to change or stop direct deposit of SWIF benefits is to submit a new Form SWIF-180 to Treasury.

I understand that failure to notify Treasury of any change in financial institution or account may delay the receipt of my benefits.

I realize that any false statement or failure to disclose a material fact in order to obtain or increase my benefits may result in criminal prosecution, disqualification from benefits, and repayment of any funds deposited to my account.

I authorize Treasury to receive information from my financial institution regarding my account to investigate and/or resolve any discrepancies or errors in the receipt of SWIF benefit payments.

In the event of an error in the direct deposit of my SWIF benefits to my account, I authorize SWIF, Treasury and my financial institution to correct the error in my account.

I understand that SWIF and Treasury are NOT responsible for errors in the bank transit routing number or in the account number as listed on the front of this form, and are not responsible in the event that the financial institution I have selected is not participating in the direct deposit program.

I understand that SWIF and Treasury are not responsible for fees charged against overdrawn accounts due to the non-receipt of SWIF benefits.

I also understand that all transactions with my account shall be governed by the Electronic Fund Transfer Rules and Procedures and the Automated Clearing House (ACH) rules of Treasury.

Five good reasons to choose direct deposit. Direct Deposit is:

- FAST - you will have your benefits sooner
- CONVENIENT - you don't have to take time to go to your financial institution each time you receive a benefit payment
- SAFE - benefits are directly deposited into your account preventing lost or stolen checks
- RELIABLE - benefits are deposited into your account, correctly and confidentially
- SIMPLE - easy to begin and may be changed or stopped by filling out a form
