**Uniform Construction Code  
SPECIAL INSPECTIONS AND OBSERVATIONS STATEMENT**

This statement must accompany permit applications for all construction for which special inspections and observations are required in Chapter 17 of the <i>International Building Code (IBC) (pre 2009)</i>	
Project Name:	
Project Address:	
Owner:	Telephone:

This is to certify that all the inspections and observations that I have checked on pages 2-3 **and** on page 4 of this statement are required for the project named above and will be performed by the designated individuals or firms. By signing this statement, I also acknowledge that:

- these inspections and observations must be performed by competent individuals in accordance with the requirements of the IBC Chapter 17 (as applicable) and that the construction work must comply with the department-approved plans and specifications and all applicable provisions of the Uniform Construction Code;
- records of all required special inspections and testing observations (including any discrepancies and methods of correction of these discrepancies) will be retained and made available to department representatives, upon request; and,
- the Final Report section of this statement must be signed by me and a copy of this statement submitted to the department inspector, at the time that the final inspection is performed and before a certificate of occupancy is issued.
