INSTRUCTIONS

The Statement of Wages must be clearly completed in accordance with the Pennsylvania Workers' Compensation Act and uploaded in accordance with the provisions of the EDI Implementation Guide when submitting certain EDI transactions. A copy must be sent to the injured employee.

The "average weekly wage" is used to determine the amount of weekly compensation wage-loss benefits payable under the Pennsylvania Workers' Compensation Act. A chart is available from the Bureau of Workers' Compensation to aid in determining the weekly compensation rate, online at www.dli.pa.gov

CONCURRENT EMPLOYMENT

If the employee had more than one employer at the time of injury, a separate Statement of Wages form must be completed for each employer. Submit these forms together. Using #7 on the Primary Employer's form **only** (employer with whom the injury occurred), show the addition of the average weekly wages from all employers, show the combined average weekly wage to the right of the equal sign and show the appropriate workers' compensation rate. Check the Primary employer box and the Concurrent employer box for all other employers.
