

Employers Unplugged

Speakers: Liliana Carlo, The Hershey Company

Brittany Boyd Chisholm – Complete Home Care of PA

Christine Weigle – Lycoming County Water and Sewer Authority

Moderated by: Gregory J. Fischer, Esquire, Carpenter, McCadden & Lane, LLP

Employers Unplugged

What type of insurance program do you have for Workers' Compensation and what is your role in coordinating between the insurer/TPA and the company?

Employers Unplugged

What is the make-up of your claims handling team in terms of personnel, either internal or external, and what issues do you feel are most important for them to consider when dealing with new claims?

Employers Unplugged

What types of training or programs do you have in place to promote workplace safety and prevent injury claims?

Employers Unplugged

What types of information do you gather
(and what resources do you use) when
investigating new claims?

Employers Unplugged

Do you have a return-to-work program for injured employees, and if so, how did you establish and implement the same?

Employers Unplugged

What are your strategies for handling claims involving serious, challenging or catastrophic injuries?

Employers Unplugged

What are your thoughts and analysis processes regarding the potential settlement of Workers' Compensation claims?

Employers Unplugged

Are you ever open to “creative” strategies with respect to the potential settlement of Workers’ Compensation claims?

Employers Unplugged

What is your greatest challenge with respect to managing risk and potential injury claims?
