MEETING AGENDA GUIDE

Successful, effective Workplace Safety Committees (WSC) will have competent leaders and dedicated members. The chairperson will be able to direct group discussion while sticking loosely to the business at hand. A carefully planned agenda will assist the chairperson in doing this. If the agenda can be given to all members in advance, members will arrive at the meeting better prepared. It will also remind them of any responsibilities they have such as reporting on task force or inspection team progress. A standard agenda form can be developed by the committee to meet its specific needs.

Agenda Guidelines

- The agenda should be typed on company letterhead.
- Limit it to one page in length and include:
 - Title
 Date
 Location
 Starting and ending time
 Topics of discussion
 Minutes of previous meeting
 Chairperson's report
 Reports from subcommittees
 Old business (Items not completed at previous meetings)
 New business
 Educational Section/Special Speakers

The agenda should be distributed to WSC members at least three to five days prior to the actual meeting. A copy should be attached to meeting minutes for distribution or posting.
