

PA Training for Health and Safety

SAFETY TOPICS WE CURRENTLY TEACH ON-SITE OR BY

WEBINAR:

1. Above Ground Storage Tanks
2. Active Shooter Awareness
3. Aerial Work Platform Safety
4. Aggressive Driving & Road Rage
5. Aging Workforce
6. Alive at 25 (4 Hour National Safety Council Course)
7. Americans with Disabilities Act (ADA)
8. Arc Flash Safety
9. Art Safety for Elem.-Jr.-High Schools
10. Asbestos Awareness
11. Asbestos Awareness in Construction
12. Asbestos Awareness in Schools
13. Asbestos Safety Standard
14. Back Safety & Safe Lifting
15. Backyard & Wildlife Safety
16. Basic Air Monitoring
17. Behavior Based Safety
18. Bloodborne Pathogens
19. Boating Safety
20. Building a Business Case for Safety
21. Camping Safety
22. Carbon Dioxide Extinguishing Systems
23. Caught In/Between
24. Chainsaw Safety-Basic
25. Cold Weather Injuries
26. Compressed Gas Safety
27. Concrete & Masonry Safety – Basic
28. Concrete & Masonry Safety - Advanced
29. Confined Space General Industry
30. Confined Space Construction
31. CPR, AED & Basic First Aid*
32. Crane Safety
33. Creating Effective Workplace Safety Committees
34. Cyberbullying
35. Dealing with Angry People
36. Defensive Driving (4 Hour National Safety Council Course)
37. Defensive Driving (6 Hour National Safety Council Course)
38. Dealing with Difficult Co-Workers
39. Distracted Driving
40. Dogs/Dog Bites
41. Drug & Alcohol Awareness-Employee
42. Drug & Alcohol Awareness-Supervisor
43. Effective Safety Inspection Reports
44. Effective Safety Communication
45. Effective Safety Training
46. Egress & Fire Protection
47. Electrical Extension Cord Safety
48. Electrical Hazards in Construction
49. Electrical Safety
50. Emergency Action Plans
51. Emergency Response Planning
52. Employee Substance Abuse Awareness
53. Environmental Compliance
54. Ergonomics
55. Ethylene Oxide
56. Excavation & Trenching
57. Experience Rating
58. Eye Protection
59. Fall Protection
60. Fatigue & Worker Safety
61. Fire Extinguisher Use
62. Fire Protection & Prevention in Construction
63. Fireworks Safety
64. First Aid Awareness
65. Flagger Safety
66. Flammable/Combustible Liquids
67. Flood Safety
68. Foot Protection
69. Formaldehyde Safety
70. Generational Differences
71. Golf & Utility Cart Safety
72. Governor's Award for Safety Excellence (GASE)
73. Grilling Safety
74. Groundskeeping Safety
75. Halloween Safety
76. Hand & Arm Protection
77. Hand & Power Tools
78. Hazard Communication (including GHS)
79. Hazard Identification
80. Hazardous Material Transportation
81. Hazardous Materials Awareness
82. Hazardous Materials Decontamination
83. Hazardous Materials PPE
84. Hazardous Waste Management
85. HAZWOPER: Hazardous Waste Operations
86. Head Protection (Hard Hats)
87. Health Hazards in Construction
88. Hearing Conservation & Noise Control
89. Heat Related Injuries/Illnesses
90. Hexavalent Chromium Safety
91. Home Fire Safety
92. Hotel/Motel Safety
93. Hot Work - Welding, Brazing, Grinding
94. Housekeeping Safety
95. Hunting Safety
96. Incident Investigation, Reporting, Prevention for Supervisors/Managers, Safety Committee Members
97. Incident Tracking
98. Industrial Fire Brigade
99. Industrial Hygiene

PA Training for Health and Safety

100. Infectious Diseases
101. Information Verification
102. Insect Safety
103. Introduction to OSHA
104. Introduction to PATHS
105. Job Safety/Hazard Analysis
106. Kitchen Safety - Awareness
107. Kitchen Safety – Burn & Fire Prevention
108. Kitchen Safety - Working Safely with Chemicals
109. Kitchen Safety - Working Safely with Sharps
110. Laboratory Safety Standard
111. Ladders
112. Lead Awareness & Safety
113. Lock-out/Tag-out (LOTO)
114. Machine Guarding
115. Managing Emergencies
116. Managing Safety & Health in Construction
117. Maritime Safety
118. Materials Handling, Storage, Use, Disposal
119. Medical Marijuana
120. Mercury Awareness
121. Mold - Awareness, Hazards
122. Motor Fleet Safety
123. Nail Gun Safety
124. Near Miss
125. Occupational Asthma
126. Occupational Skin Diseases
127. Office Safety
128. Opioid Addiction
129. OSHA 510 (Construction Safety) 10/30 Hour*
130. OSHA 511 (General Industry Safety) 10/30 Hour*
131. OSHA Top Ten
132. OSHA Injury & Illness Recordkeeping
133. Overhead Crane Safety
134. PA Insurers Information
135. PATHS Overview
136. Pandemic Preparedness (Influenza)
137. Personal Protective Equipment (PPE)
138. Phase 1 Environmental Site Assessments
139. Poison Ivy
140. Powered Industrial Trucks (PIT) – Classroom
141. Powered Industrial Trucks (PIT) – Hands On
142. Pre-Operational Process Review
143. Pre-Employment Screening
144. Preventing Back Injuries
145. Preventing Cuts, Scrapes & Punctures
146. Preventing Workplace Harassment
147. Process Safety Management (PSM)
148. Rabies
149. Recognizing Employees
150. Respiratory Protection
151. Restaurant/Food Service Safety
152. Return to Work
153. Right to Know (Chemical)
154. Right to Know Inspections
155. Risk Management
156. Root Cause Analysis
157. Safe Driving in Inclement Weather
158. Safe Lifting & Material Handling
159. Safe Patient Handling
160. Safe Vehicle Operation
161. Safety & Health Programs
162. Safety Committee Leadership
163. Safety Culture (Part 1)
164. Safety Culture (Part 2 - 4 Hour Workshop)
165. Safety for Supervisors
166. Safety Incentive Programs – Pros & Cons
167. Safety Management System
168. Safety is a Personal Decision
169. Safety Signs
170. Scabies, Bed Bugs, MRSA
171. Scaffolds
172. School Bus Safety
173. School Safety
174. School Laboratory Safety
175. Silica Standard
176. Sleep vs. Fatigue
177. Slips, Trips & Falls Prevention
178. Snakes
179. Snowblower Safety
180. Social Media Safety
181. Spill Control & Containment
182. Spill Prevention Control & Countermeasure Plan
183. Sprains & Strains
184. Stairways & Ladders
185. Standpipe Fire Suppression Systems
186. Stress & Worker Safety
187. Struck-By: Construction
188. Struck-By: General Industry
189. Suicide Prevention
190. Summer Safety
191. Theatre Safety
192. Ticks & Lyme Disease
193. Underground Storage Tanks
194. Ventilation-Basic
195. Warehouse Safety
196. Walking & Working Surfaces
197. Walkthrough Surveys
198. Welding Safety
199. Wellness Programs
200. West Nile Virus Awareness
201. Whistleblower
202. Winter Holiday Safety
203. Work Zone Safety
204. Working Alone

PA Training for Health and Safety

- 205. Workplace Violence
- 206. Workplace Violence in Healthcare Facilities
- 207. Workplace Safety Committee Certification Audits
- 208. Workplace Safety Committee Certification First Responders
- 209. Workplace Safety Committee Certification Initial
- 210. Workplace Safety Committee Certification Process
- 211. Workplace Safety Committee Certification Renewal
- 212. Workplace Safety Committee Certification Schools
- 213. Workplace Safety Committee Regulatory Requirements for PA
- 214. Zika Virus Basics
