

SSP RFA Questions and Answers
Phone Conference
June 28, 2019 10:30 a.m.

1. **Question:** Deliverable 4 – Who would count as “20 additional consumers”?

Response: Additional consumers are those who have never previously received SSP services, either those who are already identified individuals in the SSP consumer registry or newly identified individuals who are Deaf-Blind.

2. **Question:** Deliverable 6 mentions that quarterly reports must be sent to both OVR and SILC. Are these the same report?

Response: Yes, it is the same report that will be sent to both OVR and SILC each quarter.

3. **Question:** Deliverable 9 states that refresher training must be conducted via webinar. Is it possible to have refresher training in person if the situation calls for additional mobility training which is best done in person?

Response: Yes, additional in-person training sessions may take place with prior approval from OVR if training needs are justified.

4. **Question:** Regarding overhead, specifically what items are allowed and how should it be documented?

Answer: Please see Section 6 – Application and Submission Information F. Funding Restrictions 5 and 6 allowable and disallowable costs. If an item is not listed as allowable then it is not allowable. However, if the items are included in the ICR it will be accepted. If an agency has an ICR they will also have the option to utilize at 10% de minimis in place of the ICR.
