Appendix C: Local Area Plan Instructions

Local area plans serve as a four-year action plan to develop, align and integrate service delivery strategies to support Pennsylvania’s vision, strategic and operational goals within local workforce development areas as well as the regional goals and strategies (as appropriate).

Local area plans set forth the strategy to:

- Direct investments in educational and training programs to ensure that individuals, including youth and individuals with barriers to employment, have the skills to compete in the job market and that employers have a ready supply of skilled workers;
- Apply demand-driven strategies in the one-stop delivery system;
- Enable economic, education and workforce partners to build a skilled workforce through innovation in, and alignment of, employment, training and education programs; and

These requirements set the foundation for WIOA principles by fostering strategic alignment, improving service integration and ensuring that the public workforce system is industry-relevant, responding to the local area’s economic needs and matching skilled workers with employers.

*Single local areas and planning regions* are required to provide a local area plan that incorporates each prompt listed in this appendix. **Note:** In planning regions, there may be narrative duplication between the regional plan and the local area plan. Specific notes will indicate the proper action to follow.

The Pennsylvania Department of Labor & Industry, or L&I, includes a sub-section labeled “Expectation” for most prompts. This sub-section provides planners with practical concepts for developing narrative and creating a basis for discussion. Concepts are not all-inclusive but provide a foundation for building narrative. L&I will use each prompt’s general contextual meaning and expectation to evaluate narrative when reviewing each submitted local area plan.

### INTRODUCTION

Local areas have the option to summarize why and how the local area plan is created with hopes of expanding potential reader engagement. The introduction may include but is not limited to a summary of the strategic planning process, timeline and outcomes; or the purpose, design and how the local workforce development board, or LWDB, will use local area plan findings.

**Note:** Generic references to WIOA local area plan requirements already discussed thoroughly within the local area plan’s designated sections are permitted.

### 1. STRATEGIC PLANNING: Local Area Workforce and Economic Analysis

Prompts in this section are designed to address aspects of the local area’s labor force including composition and determination of skill gaps between the talent needed by employers in the region and the knowledge and skills held by workers and job seekers. One prompt addresses workforce development activity necessary to bridge the identified regional skill gaps.

Local boards may provide a comparative analysis describing similarities and differences between any of the regional plan narrative and what is (or may be) occurring in the local area.

**Note 1:** It is recommended that these plans include data samples, streamlined graphics and tables that support narrative provided instead of large volumes of data, tables and graphs. When documenting various data methodologies, drafters have the option to reference the data location in the plan narrative and move data samples, streamlined graphics and tables to Attachment 4: Local Workforce Development System Supporting Data.

**Note 2:** The local board must cite the source(s) that are used to collect all or part of the regional labor market data (e.g., Center for Workforce Information and Analysis, or CWIA).

#### 1.1. Identify the composition of the local area’s population and labor force. [20 CFR § 679.560(a)(3)]

**Expectation:** Narrative must include a reference name for the region and the local area plan’s effective date. Narrative must focus on characteristics about the region’s population such as age distribution, educational attainment levels, individuals with barriers to employment (based upon WIOA Sec 3(24)) and employment status. This section must also focus on trends in each of these areas. Explain why some of these groups are harder or easier to serve. Data must be provided to support narrative as appropriate.

**Note:** When documenting various data methodologies, drafters may reference the location of graphics and/or tables as detailed in Attachment 4: Local Workforce Development System Supporting Data in prompt narrative.

#### 1.2. How are skills gaps defined in the local area? Provide a description of the skills that are required to meet the needs of employers in region and local area? [20 CFR 679.560(a)(2)]

**Expectation:** Narrative is not expected to be data-heavy and must focus more on policy, best practices and knowledge of workforce. Narrative must explain how the local area identifies skills gaps that exist between regional employers’ needs and the existing local area workforce qualifications. Narrative must highlight specific local examples of these gaps such as a workforce with insufficient and outdated skills, a workforce with skills that exceed job demand, a lack of training programs for needed skills and other factors unique to your local area.

The local area may support the narrative by:

- Focusing on the specific talent (knowledge and skills) believed to be needed by employers in the local area region;
- Speaking to employability skills, as well as hard skills—consider the focus on serving individuals with a barrier (or multiple barriers) to employment; and
- Identifying the certifications, degrees or fields of study most in-demand in the local area.

#### 1.3. What are the challenges the local area face in aligning existing labor force skills and education and training activities with the needs of regional employers?

**Expectation:** Local area plans must incorporate strategies that reflect local leaders and boards considering how to optimize the available opportunities and minimize the structural weakness presented by the current workforce system environment for the betterment of regional employers and the labor force. Narrative must also include incumbent worker training and how the local workforce delivery system will work with regional employers to fill the entry-level positions created by upskilling incumbent workers.

The local area may support the narrative by:
### Appendix C: Local Area Plan Instructions

- Including descriptions of when leaders, board members and stakeholders met and any subjects or resolutions that came to fruition; and
- Summarizing any number of reports commissioned to research and determine recommended actions that are of concern to local area and regional workforce system leaders and stakeholders. Examples include studies indicating strategies and tactics that will increase employers’ ability to attract, hire and maintain regional and local area labor force participants in gainful employment, or evaluating best practices for serving individuals with barriers to employment.

**Note:** While it is important that the drafters understand the data and connect the labor force requirements with occupational demands, it is also important to connect with actual employers who will verify that need.

### 1.4. Provide an analysis of local area workforce development activities, including education and training. [679.560(a)(4)]

**Expectation:** Narrative must present an analysis that includes the strengths and weaknesses of workforce development activities including education and training activities; the workforce system’s capacity to provide activities necessary to address the workforce’s education and skill needs, including individuals with barriers to employment and employers’ needs; and how apprenticeship programs can be leveraged to address these needs when it comes to individuals with barriers to employment, individuals in underserved communities, diversity of individuals and employers’ needs.

### 1.5. Describe strategic planning elements including a regional analysis of economic conditions. [20 CFR 679.560(a)(1)(i) and (ii)]

**Expectation:** Narrative must describe and analyze regional labor market data to articulate the region’s economic conditions and employers’ employment needs.

*Factors being considered include, but are not limited to:*
- Identifying existing and emerging in-demand industry sector(s);
- Identifying existing and emerging in-demand industry sector(s) occupations;
- Providing data describing the location quotients (LQ) of the local area(s); and
- Describing employers’ employment needs in existing and emerging in-demand industry sectors and occupations.

**Note:** Planning Regions may reference and summarize similar narrative originally provided in Appendix B: Regional Plan Instructions, prompt 1.3.

## 2. STRATEGIC PLANNING: Vision and Goals

Consider the local area analysis developed in Section 1, *Local Area Workforce and Economic Analysis*, the goals established by the governor as outlined in the state plan and the goals established regionally. Each local area plan will provide narrative to the prompts outlined in this section. Responses will identify the local area’s strategic vision and goals created by chief elected officials, the local board and the local workforce system stakeholders.

**Note:** If a local board is part of a planning region, responses will identify the local area’s strategic vision and goals in support of the planning region.

### 2.1. What are the local board’s strategic vision and goals for preparing its workforce? [WIOA Sec. 108(b)(1)(E); 20 CFR § 679.560(a)(5)]

*Factors being considered include, but are not limited to:*
- Local board’s strategic vision;
- Local areas associated with Planning Regions must also consider their respective regional plan goals and strategies, list appropriate goals and strategies to maintain alignment; and
- Identifying any additional local board goals and strategies.

### 2.2. What is the local board’s strategy to work with the entities that carry out the core programs to align resources available to the local area, in order to achieve the strategic vision and goals for the local area? [WIOA Sec. 108(b)(1)(F); 20 CFR § 679.560(a)(6)]

**Expectation:** Considering the local board’s responses to prompts at Section I, *Regional Workforce and Economic Analysis*, the narrative will describe the strategy developed by the local board to carry out the core programs and the programs of required and additional partners. Narrative will address how this strategy assists in aligning all available resources to achieve the local area’s strategic vision and goals.

### 2.3. How will the local board’s vision and goals align with, support and contribute to the governor’s vision and goals for the state’s workforce development system, as well as any of the goals and strategies articulated in the regional plan? [WIOA Sec. 108(b)(2); 20 CFR § 679.560(b)(1)(ii)]
Appendix C: Local Area Plan Instructions

**Expectation:** Narrative must indicate that the local board adopted the governor’s vision and all goals as articulated in the WIOA Combined State Plan; it is expected that local board’s goals and strategies are reasonably aligned with the WIOA Combined State Plan, as well as any appropriate regional plan goals and strategies (wherever the local area is part of a planning region).

Factors being considered include, but are not limited to:
- How the local area will connect adults, dislocated workers and other targeted populations, especially youth and individuals with barriers to employment, to in-demand occupations;
- How the skill gaps (addressed in the narrative to prompt 1.2 above) will be eliminated or narrowed;
- How the local board will target services efficiently to educate and increase its workforce’s knowledge and skill sets;
- How the local board will develop and implement a comprehensive Career Pathways plan (including both employment and education components, as well as adult education) throughout the local area;
- How the local area will coordinate with secondary and post-secondary institutions (including programs authorized by the Perkins V Act) to align strategies, enhance services and avoid duplication of services (including specific reference to adult education, community colleges and community education councils);
- How the system will improve access to services and to activities that lead to a recognized postsecondary credential;
- How the local area will expand upon work-based training goals and strategies such as transitional jobs and leveraging existing apprenticeship programs or working with employers in the local area to develop new programs;
- How will local area business service strategies be employed (i.e. Business Service Teams, or BST); and
- How the goals support economic growth and economic self-sufficiency for the local area.

2.4. What are the local levels of performance that have been negotiated with the governor and chief elected officials? [WIOA 116(c); 20 CFR § 679.560(b)(16)]

**Expectation:** Local area plans must reference and include a completed WIOA Title I performance measures table found within the fillable template (i.e. Attachment 1: Local Area WIOA Title I Programs Performance Accountability template). This table incorporates the local levels of WIOA negotiated performance goals and the previous year attained performance measures.

**Expectation:** Narrative must describe how the local board’s goals will assist in achieving the negotiated performance levels, and to what extent the local board’s goals are impacted by such levels. Narrative must address how performance levels are used to measure local area performance.

3. OPERATIONAL PLANNING: Local Area Workforce System and Investment Strategies

The following responses will expand on the previous section’s visions and goals including how the local board designs strategies to reach those goals.

**Note:** If a local board is part of a planning region, responses will identify the local area’s strategic vision and goals in support of the planning region.

3.1. Provide a descriptive overview of the governance structure for the workforce system, including key stakeholders and entities in the local area.

**Expectation:** Narrative must include a description of how local elected officials, advocacy groups, LWDB, and other key stakeholders interact within the local workforce system. This description must include the respective roles and functional relationships of the following entities, as well as other entities, that compose the local workforce system.

Factors being considered include, but are not limited to Governance and Administrative functions:
- The local elected officials in the governance of the local workforce system (i.e., local board), as well as the day to day operations of the local workforce delivery system;
- The identity and role of the entity responsible for the disbursement of grant funds (i.e., fiscal agent entity) as determined by the chief elected official(s);
- The role of the LWDB as the governing body responsible for the governance, strategic planning, fiscal and oversight of the local workforce system;

Appendix C: Local Area Plan Instructions

- The identity and role of the entity responsible for providing staff to the local board (i.e., administrative entity); and
- The identity and role of the individual(s) responsible for ensuring equal employment opportunities and civil right protections.

**Expectation 2:** Each local board must reference and include a completed organizational chart depicting a clear separation of duties between the local board and programmatic and service delivery entities (i.e. Attachment 2: Local Workforce Development System Organizational Chart model).

**Structure Exceptions Note:** Consistent with Workforce System Policy (WSP) No. 02-2015, Local Governance Policy, Dec. 18, 2015, Section VI.F., Restrictions, in cases where career and training services are provided by an interrelated agency (i.e., county agency, commission structure or corporation) that is also the employer of the LWDB staff and fiscal agent staff, the service and training provider staff must report to a supervisor that does not oversee local board or fiscal agent staff. L&I has determined that any one of the interrelated agencies listed above must have separate departments to ensure a clear separation between governance and the day-to-day operations, and that each department head must report to a different local elected official. This structure is only allowable through written approval by the department.

If the local area has an approved structural exemption, the chief elected official(s), in collaboration with the local board, must reference the approved structure exemption and address any structural issues in this section of the local area plan. The narrative must articulate that when career and training services are provided by an interrelated agency that is also the employer of the local board staff and fiscal agent staff, that separate departments, internal controls and appropriate supervision for each department is in place.

3.2. **What are the programs included in the local workforce delivery system and how will the local board work with the entities carrying out all workforce programs to support service alignment?** [20 CFR § 679.560(b)(1)]

Factors being considered include, but are not limited to:

- Describe each local area workforce system’s required and additional partner programs by referencing and including the completed program partner-provider list template (i.e. Attachment 3: Local Workforce Development System Program Partner-Provider List). This list identifies the programs, the program provider(s) and where in the local area the programs may be accessed;
- How will the local board collaborate with each required and additional partner in the PA CareerLink® service delivery system promoting service alignment; and
- How will alignment of such programs support the strategy identified in the state plan, the regional plan (if applicable) and the local area’s strategies?

3.3. **How will the local board work with the entities carrying out core programs to:** [20 CFR § 679.560(b)(2)]

- Expand access to employment, training, education and supportive services for eligible individuals, particularly individuals with barriers to employment.

  businesses and citizens:
  o Describe how UC claimants are provided reemployment services, including a brief overview of how the local
    board manages the “Reemployment Services and Eligibility Assessment” (RESEA) program;
  o Describe how the local board supports UC claimants, indicating they are complying with Pennsylvania’s UC law
    “Register for Work and Work Search”; and
  o Indicate how the local board identifies and refers to UC for adjudication, listing any potential UC eligibility issues
    identified during RESEA or any other UC claimant interaction.

Note: Narrative may contain other strategies the local board employs to expand employment and career advancement
opportunities for workforce development system participants within in-demand industries or sectors. Narrative may also

**Note:** Alignment between the public workforce system and local economic development activities (e.g. Engage! or PREP) is critical in order to identify and fulfill industry talent needs by training customers for emerging and in-demand job skills. Furthermore, microenterprise development refers to training for the purposes of self-employment. This training strategy may be appropriate for individuals or participants with barriers to employment, including persons with disabilities. *WIOA Final Rules, Preamble pg. 56108, first column.*

## 4. OPERATIONAL PLANNING: Local Area Workforce Delivery System

Prompts in this section require greater detail and must focus on how the local board will execute the strategies in section 3. [20 CFR § 679.560(b)(5)(iii), 29 CFR § 38.40]

**Expectation 1:** The narrative must indicate how WIOA section 188 compliance, including civil rights and equal opportunity, and Americans with Disabilities Act of 1990 applicable provisions will be assured for those who avail themselves of the local area’s one-stop delivery system services and resources (and that resources are at an appropriate reading level for the general population, including regional designated services locations and mobile one-stops).

Factors being considered include, but are not limited to:

- Since affirmative outreach includes training programs, outreach efforts and other positive steps, describe consultation with groups serving the targeted populations about efforts to improve outreach, training and services to targeted populations, and detail input from these types of training, education and services needed from organizations representing these groups, or programs, that interact with target populations.

| 4.5. Describe how the local board will ensure the continuous improvement of eligible providers through the system and that such providers will meet the employment needs of local area employers, workers and job seekers. [20 CFR § 679.560(b)(5)(i)] |

  - o Describe who is responsible for TANF Youth Development program participants, methods used for recruitment, and collaboration with local County Assistance Office(s), or CAOs, the Department of Human Services’
Appendix C: Local Area Plan Instructions

  - Describe how work experiences, enhanced by high-quality academic and workforce development programming, will be prioritized for TANF youth;

Outline how the local board will clearly explain and make this incentive opportunity available to TANF-eligible youth. Explain how to accurately measure achievement of the established incentive requirements to ensure fair and equitable disbursement of any incentive awards to TANF youth program participants;

Note: The local board ability to offer TANF incentives is contingent upon the Department of Labor & Industry’s review and approval of the local board’s revised Incentive Policy, in alignment with 2 CFR 200 of WIJOA and USDOL’s TEGL No. 21-16.
  - Provide the name, phone number and email address of the LWDB staff member responsible for implementation, tracking and reporting TANF YDF activities and expenditures;

  - Provide the name, phone number and email address of the LWDB staff member responsible for the compilation and submission of the DHS Qualification Spreadsheet on DocuShare; and
  - Describe how the LWDB monitors local providers and who is responsible for the monitoring.

Expectation 2: Local boards must outline and define WIOA youth eligibility documentation requirements, including the “requires additional assistance to complete an education program or to secure and hold employment” criteria.

Expectation 3: Narrative must include a description of WIOA title IV Pre-Employment Transition Services provided to potentially eligible and eligible in-school youth with disabilities.

Expectation 4: Narrative must include local board strategies and collaborative actions with stakeholders to expose more youth support to YouthBuild, Job Corps and AmeriCorps programs and opportunities (if applicable). Data measuring the number of youth, and specifically opportunity youth, enrolled in these programs must be provided to support the narrative, as appropriate.

Note 1: Additionally, if the local area is designated as part of a Planning Region the local board, in concert with the other local boards comprising the Planning Region, may articulate regional level strategies and activities within the regional plan (see Appendix B: Regional Plan Instructions, prompt 1.4).

Note 2: Categories of ‘additional assistance’ are required to be defined and developed for both in-school youth, or ISY and out-of-school youth, or OSY. However, the 5 percent limitation for the use of this ‘additional assistance’ barrier category only applies to ISY. [WIOA (Department of Labor Only) Final Rule sections 681.300 and 681.310].

4.9. How will the local board coordinate workforce investment activities and ensure they are carried out in the local area with statewide rapid response? [20 CFR § 679.560(b)(7)]

Expectation: Narrative must describe the strategy and role of the local area and regional (if applicable) business service teams with the Rapid Response services. In addition, describe how the board is using the Rapid Response Guidance and Rapid Response and Trade Guidance released early 2017 to guide partners when providing rapid response services.

Note: Local boards should consider libraries as a possible place for Rapid Response teams to assemble, given their Wi-Fi, technology, and role in communities.

4.10. How will the local board coordinate relevant secondary and postsecondary education programs and activities with workforce investment activities to support strategies, enhance services and avoid duplication of service(s). [20 CFR § 679.560(b)(9)]

Factors being considered include, but are not limited to:
Apprenticeship: The narrative must describe strategies to implement the one-stop system operational goals and how these strategies will maximize coordination among one-stop system partners. It must specifically describe how the required partners’ activities and services are improved and duplication is avoided, as well as how merit staff and contracted service providers are coordinated. Additionally, the narrative must contain information surrounding the roles of the operator and site administrator(s) in coordinating local area program providers’ efforts and improvement of services.

Factors being considered include, but are not limited to:

- How the roles and responsibilities among partner programs are coordinated to achieve optimum results and avoid duplication of services;
- The efforts that are or will be implemented to improve program partner integration at PA CareerLink® centers;
- The one-stop delivery system’s referral mechanism;
- The established minimum requirements for a PA CareerLink® career services orientation, the method used for directing basic career services customer flow, use of a customizable initial intake form and a customizable template for developing Individual Employment Plans to ensure consistency and support alignment of services across programs, thus reducing duplicate data among partners; and
- The program partner’s staff development efforts designed to strengthen the professional skills of co-located partners’ staff in PA CareerLink® centers, such as cross-program staff training. As a partner, adult education may participate in delivering training in professional skills.

4.12. How will the local board coordinate WIOA title II workforce investment activities with adult education literacy activities under WIOA Title II? [20 CFR § 679.560(b)(12)]

Factors being considered include, but are not limited to:

- Indicate if WIOA Title II adult education providers were involved in the development of the local area plan and the providers’ involvement with the topics presented in Appendix C, prompt 4.11;
- Describe how the local board will carry out the review of applications to provide adult education and literacy activities under WIOA Title II for the local area to determine whether such WIOA Title II applications are consistent with the local area plan. The local board review must be consistent with WIOA Sections 107(d)(11)(A) and (B)(i) and WIOA Section 232 to ensure alignment with its local area plan and the coordinating of the activities described in the local area plan. Applicants for WIOA Title II grants are required to demonstrate alignment of proposed activities with the local area plan as one of the 13 required considerations under WIOA Title II;
- Describe how the local board will ensure it will make recommendations, if appropriate, to PA Department of Education (PDE) to promote alignment with the local area plan; and
- Describe how the local board will coordinate WIOA Title I workforce activities with those Title II adult education and literacy activities designed to be associated with WIOA Title I (i.e. for when the individuals participating in Title I activities have basic education needs and when individuals in Title II programs have needs that may be address through Title I services or other services through the one-stop centers).

Note 1: Any WIOA Title II activities described must be allowable activities under Title II. These may include basic skills instruction both at the one-stop center and in other locations around the local area; compliant administration of standardized basic skills assessments; and workforce preparation activities for individuals receiving title I basic skills instruction.

Note 2: Guidance on the role the local board will play in their assistance with WIOA title II solicitation and procurement.
Appendix C: Local Area Plan Instructions

Local boards are not directly involved in WIOA Title II solicitation and procurement; the Title II competition is run solely by PDE, and all funding decisions are made solely by PDE. The local boards will review applications submitted to PDE for WIOA Title II funds for alignment with the goals and strategies of the local area plan, and then provide recommendations to PDE on ways to improve alignment, if applicable.

Federal regulations require PDE to establish the process by which the local boards will review the WIOA Title II applications for alignment with the local area plan and submit recommendations to PDE for improvement of alignment. PDE will receive the applications for Title II funds and then distribute applications to the appropriate LWDB for review. PDE will develop related review documents and rubrics and provide them to the local boards along with training on how to conduct the review and return the documents to PDE. All local boards must use the review documents and rubrics provided by PDE. Local boards have flexibility in determining which members of the local board participate in the review of applications. The review work may be led by local board staff but cannot be limited to local board staff. Board members connected to entities that submit applications for WIOA title II funds or that have other conflicts of interest cannot participate in the review.

4.13. What services, activities and program resources will be provided to participants, including those outlined at WIOA Sec. 3(24), Individuals with a Barrier to Employment, in the local area?

**Expectation:** Narrative must list the services provided to participants beginning with universal services (e.g. Wagner-Peyser Act based Employment Services) and concluding with a description of how individuals with a barrier(s) to employment are uniquely served.

Factors being considered include, but are not limited to:

- Describe how the one-stop delivery system employs a methodical process to intake customers, establish participant status, determine needs of the participant and identify any barrier(s) to employment;
- Describe how the one-stop delivery system employs a methodical outreach process that presents the benefits of the workforce development system to individuals and groups. A description of outreach activities may include information sessions regarding services that partner agencies provide and how to access such services. These outreach efforts may include presentations on available services that target certain populations, specifically targeting individuals with barrier(s) to employment;
- Describe how the one-stop delivery system provides the appropriate services and resources equally to participants; and
- Describe services provided to individuals with disabilities eligible for services under WIOA Title IV.

4.14. What services, activities and program resources will be provided to businesses and employers in the local area? [20 CFR § 679.560(b)(3)]

Factors being considered include, but are not limited to:

- Roles performed by the PA CareerLink® Business Services Team, or BST, within the scope of the region as a whole; describe the BST organizational structure and who manages the BST; describe coordination efforts amongst BST members as well as actions of the local board; and indicate the program providers that comprise the BST (e.g. Veteran program LVERS, OVR staff, Rapid Response staff);
- For program partners not specifically represented on the BST, describe how these partners are connected to employers (e.g. provision of adult basic education and workplace literacy information to employers);
- Describe regional coordination of messaging and engagement; which program providers are making employer visits and the collaboration that occurs during these visits; and the management of tracking business related services and associated data analysis for all program partners to share;
- What WIOA Title III (Wagner-Peyser Act) employer-based services, as well as other services and resources made available from partners are made available to business customers; describe how the activities and services are accessed by business and employers or their legal representatives; and offer insight into how workforce-oriented programs and services are being adopted by businesses and employers in the region;
- What WIOA Title IV (Rehabilitation Act of 1973) employer-based services are made available to business customers;
- Describe how businesses and employers engage with education; and
- If there are local board innovative practices such as the use of board staff and contracted entities providing business engagement activities and services, the narrative must detail the administrative and operational relationship between the BST and the local board business engagement efforts as well as demonstrating the reduction of duplicative services and activities.

4.15. How will the local board coordinate WIOA Title I workforce investment activities with the provision of transportation and other appropriate supportive services in the local area? [20 CFR § 679.560(b)(10)]
### Appendix C: Local Area Plan Instructions

The narrative must explain the local area’s set of strategies designed to:

- Identify supportive services and resources (e.g. transportation, public libraries, childcare, legal aid, housing, mental health, refugee and immigration services, vocational rehabilitation services, independent living services, community reentry programs); and
- Coordinate supportive services and resources to allow customers to participate.

## 5. COMPLIANCE

The prompts in this section are focused on the local area’s compliance with federal, state and local government requirements.

### 5.1. Describe the cooperative agreements that define how all local area service providers will carry out the requirements for integration of and access to the entire set of services available in the local area one-stop delivery system. [20 CFR § 679.560(b)(13)]

**Expectation:** Narrative must include cooperative agreements (as defined in WIOA sec. 107(d)(11)) between the LWDB or other local area entities described in WIOA sec. 101(a)(11)(B) of the Rehabilitation Act of 1973 (29 U.S.C. 721(a)(11)(B)) and the State’s current strategy being developed.

**Guidance:** Narrative must establish the amount of disallowed costs, the grantee and fiscal agent must follow the procedures outlined herein to collect any recipient audits. The narrative must also include procedures the grantee and fiscal agent will follow, once the amount of disallowed costs is determined.

### 5.2. What is the process the local board uses to ensure the collection the debts of lower-tier sub-recipients, because of audits?

**Expectation:** Narrative must describe the local board’s debt-collection system and how grantees will utilize this system aggressively to ensure the collection of debts established because of sub-recipient audits. The narrative must also include procedures the grantee and fiscal agent will follow, once the amount of disallowed costs is determined.

### 5.3. What action(s) is the local board taking (or will take) towards becoming or remaining a high-performing board? [20 CFR § 679.560(b)(17)]

**Expectation:** Narrative must address the fact that the local board will implement the actions necessary to become or remain a high-performing board once such guidance has been issued.

**Factors being considered include, but are not limited to:**

- Attainment of the Governor’s goals as described in PA’s WIOA Combined State Plan;
- Successfully performed by meeting the local area negotiated federal performance goals;
- Sustained fiscal integrity throughout the local area and all interactions on a regional level (include employment of appropriate fiscal practices such as the adoption of internal controls and more robust procurement policies);
- Attainment of successful monitoring reports and other evaluations by federal and state oversight staff;
- Creation and employment of workforce governance and service delivery ‘best practices’ that may be modeled;
- Adoption and use of new and improved methods to reach and serve individuals with barriers to employment;
- Adoption and use of new career and training services provided for the WIOA Title I programs;
- Attainment of Pennsylvania’s training expenditure targets;
- Successful regional coordinated employer engagement practices between local Business Service Team(s) and local board(s) direct activities; and
- Sector initiatives measured through the employment of qualitative and quantitative measurements.

**Note:** Guidance pertaining to the actions a local board must take towards becoming or remaining a high-performing board are currently being developed. L&I considers a high-performing local board as a board that ensures the yearly attainment of goals, strategies and operational elements articulated in applicable law, regulation, contract(s) and agreement(s), PA’s WIOA Combined State Plan, Commonwealth policies, program grant and associated requirements and guidance are achieved; the board’s varied responsibilities including fiduciary and administrative are performed in a professional manner; its mission of being accountable to the workforce area stakeholders is upheld; and abides by other factors as determined by the PA Workforce Development Board.
