

2019-2020 State/Local Internship Program Grant Awardees

The department awarded more than \$4.7 million in State/Local Internship Program (SLIP) funding to 21 Local Workforce Development Boards (LWDBs) that submitted proposals.

The program, funded through the federal Workforce Innovation and Opportunity Act (WIOA), helps young adults develop workforce preparation skills by providing participants with their first work experience.

The 2020 SLIP is 100 percent funded through federal money made available from WIOA. SLIP funding encourages internship opportunities and supports Governor Wolf's commitment to bolstering workforce development in Pennsylvania.

The 2020 SLIP will operate for an eight-week period between May 1 and August 28, 2020. The program will offer wages at a minimum of \$10.35 an hour for young adults between ages 16 and 24.
