Question: Can an applicant collaborate and partner with another agency? If so, does that look favorably by the review team?

Answer: Yes, an applicant can partner with another agency or organization. Scores are based on the strength of the proposal. Partnering with another organization does not add points to a proposal if the proposal does not score well.

Question: Is there any legislative or administrative guidance that describes the focus on Delaware county for the Veterans Employment Program? If so, is it available for review?

Answer: House bill 1421 Section 1728-F.1.(1) states, "From money appropriated for Industry Partnerships, no less than the amount allocated in the 2014-2015 fiscal year shall be used for a work force development program that links veterans with employment in a home rule county that was formerly a county of the second class A."
