Commonwealth Technical Institute at the Hiram G. Andrews Center, or CTI at HGAC conducts a comprehensive program of services featuring pre-employment transition services, vocational evaluation, post-secondary education, career exploration, counseling, and independent living skills. CTI at HGAC offers individuals with or without disabilities the skills they need to live, work, and contribute in the community. These variety of services enables the individual to examine personal behavior and make positive changes in preparing for employer expectations in any work environment.

Enroll Today To:

- Prepare for success with pre-employment transition services, vocational evaluation, and educational programming.
- Discover jobs that match your interests and talents through career exploration and work-based learning experiences.
- Learn about modern assistive technology that can help you reach your career and independent living goals.
- Gain confidence and skills you need for work and life through work readiness, soft skills development, and self-advocacy activities.
- Prepare to enter the workforce by enrolling in a specialized associate degree or diploma program.

CTI at HGAC offers seven Diploma Programs and three associate degree programs.
