

Video Remote Interpreting: What Does It Mean & Your Rights

Presented by

Office for the Deaf & Hard of Hearing Benjamin Moonan, Representative

Many Pennsylvania hospitals are providing interpreters via technology, video remote interpreting (VRI). Did you know the Americans with Disabilities Act (ADA) allows VRI as a means to provide interpreting services? Did you know the ADA has rules (regulations) about VRI? Do you understand the rules? Do you know how to use the rules when advocating for yourself or others?

Come to our training to learn about effective communication, the regulations, and how to advocate for yourself and the Deaf community!
