

IT'S THE LAW!

Under the **PREVAILING WAGE ACT**, the Pennsylvania Department of Labor & Industry has established the prevailing minimum wages that must be paid by the contractors on this project.

The prevailing hourly rate and job classification of all workers on this project are listed in an official Department of Labor & Industry Prevailing Wage predetermination document.

The law requires contractors to have a copy of the predetermination document available at this work site and to allow you to see the rates established for your classification.

If you have problems gaining access to the document or the published rates, call toll-free:
