

APPLICATION FOR STERILIZATION PERMIT

Pennsylvania's Bedding and Upholstery Law requires that all non man-made fiber filling material utilized in bedding, upholstery or other stuffed items be sterilized per the requirements of Pa Code Chapter 47, subchapter A. All companies that sterilize feathers and down, wool and animal by-product must receive a permit to perform this work, and their sterilization processes must be inspected and tested for compliance with these regulatory requirements by an inspection agency approved by the Secretary of the Department of Labor and Industry. The Sterilization Inspection Report must be completed by an approved inspection agency; all costs associated with the inspection are your responsibility.

<p>Additional Information</p>	<p>The Department permits importers to hold a Bedding and Upholstery registration for each factory (foreign or domestic) that manufactures bedding and upholstered items for them. However, the Department does not permit an importer to hold a single registration for importing from multiple manufacturers. Pennsylvania requires each manufacturer/factory to be separately registered with the Department, whether on their own or with a specific importer.</p> <p>The following options for registration are available for manufacturers:</p> <ul style="list-style-type: none"> <input type="checkbox"/> 1. The manufacturer may register directly with the Department for their manufacturing facility. The manufacturer can then place this registration number on any bedding and upholstered items that are produced at the manufacturing facility. <input type="checkbox"/> 2. An importer may hold a Bedding and Upholstery registration for each manufacturer with whom they do business. Please note that the importer is required to hold a <u>separate</u> registration for <u>each</u> manufacturer; the Department does not permit “pooling” of registrations. <p>When an importer holds the registration for the manufacturer, the Registration Certificate will show the name of both the importer and the manufacturer. The Registration number can only be placed on bedding and upholstered items that are produced at the manufacturing facility <u>for the importer ONLY</u>.</p>
