

The Department posts detailed information regarding each certified third party agency (TPA) on the Uniform Construction Code website (www.dli.pa.gov). This is posted to aid municipalities that are looking for TPA assistance with code enforcement, as well as homeowners in opt-out municipalities who will need to acquire the services of a TPA in order to construct and occupy a residential dwelling.

After completing the two page survey document, return it to our office, preferably by email (UCCBOIS@pa.gov) or fax (717-705-0196). If you return it by mail, address it to:

PA Department of Labor and Industry
UCC Division
651 Boas Street, Room 1623
Harrisburg, PA 17121

Please complete all sections of the form, including the name(s) of an employee(s) in your agency who has the certification required for each category of work that you are legally able to perform.

If any of your listing information changes after the submission of this form, please email/fax/mail a new form, listing any required changes, to our office. The PA UCC Regulations require each TPA to notify this office within sixty (60) days of any new hires or if the employment status of an existing employee changes. This form should be completed at that time as well to keep your website listing up to date.

Please direct any questions regarding this form to 717-787-6085 or UCCBOIS@pa.gov.
