

2023-2024 AmeriCorps Programs

AMERICORPS DIGITAL SERVICE FELLOWS

LAUNCH OF PHILADELPHIA

(Philadelphia)

Launch of Philadelphia, in partnership with the School District of Philadelphia, will have 24 AmeriCorps members provide computer science tutoring and mentoring to address the digital literacy skills gap among girls, students of color and low-income students, with the overall goal of increasing digital equity and economic opportunities for all. At the end of the program year, the AmeriCorps members will be responsible for mentoring 288 students collectively, showing an increase in academic engagement, social-emotional skills and attendance in at least 230 of those students.

2023-2024 AmeriCorps Programs

BOYS & GIRLS CLUBS OF WESTERN PA AMERICORPS LEAD PROGRAM

BOYS & GIRLS CLUBS OF WESTERN PENNSYLVANIA

(Allegheny and Somerset Counties)

Boys & Girls Clubs of Western Pennsylvania (BGCWPA) will have 28 AmeriCorps members serve as Literacy Ambassadors through the BGCWPA AmeriCorps LEAD (Learn. Educate. Activate. Develop.) Program, championing the development of comprehensive literacy skills in up to 12 BGCWPA Clubhouses across Allegheny and Somerset Counties. At the end of the program year, the AmeriCorps members will be responsible for improving multifaceted literacy skill development of 400 K-12 Clubhouse youth. In addition, the AmeriCorps members will leverage 10 volunteers who will be engaged in informal literacy, career and leadership mentoring with BGCWPA AmeriCorps LEAD members.

2023-2024 AmeriCorps Programs

CITY YEAR GREATER PHILADELPHIA

CITY YEAR, INC.

(Philadelphia)

City Year Philadelphia will have 215 full-time AmeriCorps members provide full-day education services to students in 18 public schools in metropolitan Philadelphia. At the end of the program year, the AmeriCorps members – acting as Student Success Coaches – will have provided academic and youth development mentoring to 2,100 students. Of that total, 348 students will improve literacy skills, 342 will improve math skills and 189 will improve attendance. Members will also provide extended day and school climate activities. In addition, the AmeriCorps members will leverage 1,460 volunteers who will be engaged in service projects at various schools and on national service days.

CORE SUSQUEHANNA AMERICORPS

UNION-SNYDER COMMUNITY ACTION AGENCY

(Juniata, Mifflin, Montour, Northumberland, Snyder and Union Counties)

CORE Susquehanna AmeriCorps will have 22 full-time and 11 quarter-time members serve through the consortium's nonprofit partner sites (community centers, organizations, schools) and conduct community service projects. At the end of the program year, the AmeriCorps members will be responsible for at least 925 youth and adults receiving new or expanded services. At least 494 receiving intensive services will increase knowledge and/or skills to address challenges to education, healthy development and/or functioning. Members will gain civic leadership development skills through training, site service and service project organization, and will engage the community in at least six service projects that address local needs. In addition, the AmeriCorps members will leverage an additional 250 volunteers who will be engaged in the partner site service and/or community service projects addressing local needs.

FAMILY SERVICE CORPS AMERICORPS

BUTLER MEMORIAL HOSPITAL FAMILY SERVICES

(Butler and Lawrence Counties)

The Family Service Corps of Butler Memorial Hospital will have 23 AmeriCorps members who focus on Healthy Futures and Veterans and Families. Members will serve at the Butler Memorial Hospital's Food Institute, Alliance for Non-Profit Resources, Center for Community Resources, and Lawrence County Community Action Program, to assess and address food insecurity needs as identified by the U.S. Census and Butler Health System's Community Health Needs Assessment. AmeriCorps members will provide an assessment, food distribution plan and/or referrals. They will serve 3,500 unique individuals, with 500 individuals experiencing increased long-term food security. Members will also serve veterans at the Center for Community Resources, Suit Yourself and the Veterans in Need program to provide human service needs assessments and guidance. These members will be veterans themselves to help cultivate a sense of safety and trust with those who have had difficulty with re-engagement in civilian life, including experiencing challenges in housing, food security, relationships, mental health and substance abuse. The members will serve 350 unique veterans, with 100 identifying a behavior change or resource to use for better quality of life.

2023-2024 AmeriCorps Programs

PENNSYLVANIA MOUNTAIN SERVICE CORPS AMERICORPS

APPALACHIA INTERMEDIATE UNIT 8

(Armstrong, Bedford, Blair, Cambria, Centre, Clearfield, Fayette, Franklin, Fulton, Greene, Huntingdon, Indiana, Somerset, Washington and Westmoreland Counties)

Appalachia Intermediate Unit 08 will have 80 AmeriCorps members provide instructional support in reading and math to K-12 students who are at risk for failure and in rural or economically-distressed school districts. They will further help to construct infrastructures that support healthy ecosystems and watersheds, while providing social services that enhance the quality of life for individuals, families and communities throughout the Appalachian region of southwest and south-central Pennsylvania. At the end of the program year, the AmeriCorps members will be responsible for improving the literacy or math scores of 1,500 economically-disadvantaged and underperforming K-12 students, treating and constructing 20 miles of infrastructure projects on public use lands to improve water quality, and providing 5,000 individuals with wellness outreach and life skills trainings.

STEP AMERICORPS

LYCOMING-CLINTON COUNTIES COMMISSION FOR COMMUNITY ACTION, (STEP) INC.
(Lycoming, Clinton and Tioga Counties)

The Lycoming-Clinton Counties Commission for Community Action (STEP), Inc. will have 28 AmeriCorps members support schools and local nonprofit organizations in Lycoming, Clinton and Tioga Counties. At the end of the program year, the AmeriCorps members will be responsible for expanding the capacity of nonprofit organizations that are focused on addressing community needs. Members will also work to improve the behavior of at-risk students through mentoring and coaching as it relates to behavior intervention and modification. Members will further provide services through the Preparing Together Program to older adults in Lycoming and Clinton Counties in hopes of increasing their emergency and disaster preparedness. In addition, the AmeriCorps members will leverage an additional 300 volunteers to engage in service projects throughout the community during the service term.
