Program Description	To address the Arts Education Gap by ensuring every underserved student in Philadelphia has arts education through a National Service Arts Corps.	Family Service Corps (FSC) meets the critical human service needs, improves the quality of life for Veterans, and provides AmeriCorps members with pathways to self-sufficiency and workforce development.	Notre Dame AmeriCorps members expand access to education utilizing small-group and 1-on-1 instruction to support individuals in their educational and life goals.	PMSC is a rural AmeriCorps program with a variety of education, environmental, and social service based positions.	A 4-18 month long workforce development program that tackles pressing environmental challenges in Philadelphia, including improving stormwater managements, increasing tree coverage, and revitalizing public land.	The STEP AmeriCorps program partners with numerous nonprofit organizations and schools in Clinton and Lycoming Counties to provide service opportunities to meet the region's community needs, with a focus on expanding the capacity of nonprofit organizations and enhancing the health-related knowledge of customers.	Scattered Site Program serving through Community Centers, Social Service Organizations, Schools and Libraries.	The Olivet Community Builders AmeriCorps program engages young adults, ages 17-24, to serve across Olivet Boys & Girls Club locations in Reading and Berks County to help support and enhance afterschool and summer programming for youth.	School based mentoring program to support student achieve and connection to community based resources.
