RE: 2015 International Code Council Administrative Provisions (ADM)

Final Report of the Administrative Provisions general subcommittee for the PA UCC RAC 2015 re-review

The subcommittee reviewed code change sections of the 2012 International Codes-Administrative Provisions and 2015 International Codes Administrative Provisions for potential acceptance & adoption in the Commonwealth of Pennsylvania Uniform Construction Code (PA UCC). No changes were judged necessary to the ADM code change spreadsheet and the subcommittee voted to support all of the code changes. The ADM did not receive any public comments for consideration and opinion. The subcommittee recommends adoption of all the ADM code changes referenced above.
